The institution initiates efforts for attainment of programme outcome and course outcomes and the same is also evaluated at different levels during the course of each semester. The institution adheres to the course objective prescribed by the University of Mumbai and a proper review is carried out at regular intervals to ensure progress towards attainment of course outcome. Assessment mechanisms are used to evaluate learner's skills and preparation of the course. Assessment mechanism provided in the form of Internal Assessment by University of Mumbai is one way to calculate the course attainment level of each learner. The internal assessment that is spread out in the form of 40 marks per subject includes assignments involving critical thinking and practical knowledge application, class tests, quizzes, group discussions, Viva Voce are all used as a tool for assessing attainment of course outcome. Other than Internal assessment the institution hosts an Academics Week every Academic year and introduces inter collegiate events such as Debate Competition, Mock Parliament, Research based activities, Moot Court which helps in the overall development of learners keeping in mind the practical aspect of legal arena which is a key indicator of Programme Outcome. Every programme key objective is to attain practical and industry-based knowledge and a constant effort is made to achieve the same. Timely revision classes and routine tests are taken upon completion of each module to ensure progress of students. Reviews by stakeholders are also taken with respect to course completion and attainment of course objective. Collaborations with industry experts, Guest Lectures, Seminars, sessions by practicing advocates explaining practical aspects of field are all carried out to achieve maximum outcome in each course. Semester wise results of students are analyzed and weak areas of students are identified and worked upon.

Rizvi Law College is the 1<sup>st</sup> college in the entire Mumbai to always declare results on time efficiently and duly and also distribute mark sheets on the day of declaration of the results itself. Additionally, the mechanism of assessment is extremely transparent, highly confidential and protected by the college.

### 3. High Achievers (Above 70%):

- Even though the students have not managed to score more than 70% of the marks, we encourage all students to strive for excellence and active participation in future programs.

These results provide valuable insights into our teaching methodologies, student engagement, and overall program effectiveness. As educators, analyzing the attainment of programme outcome proves to be an effective tool for further enhancing the responsibility and role of faculties as educators. And thus, we remain committed to fostering an environment that promotes continuous learning and growth.

Since more than half of the class of the students have achieved more than 50% the Attainment Level is obtained.
