Rizvi Education Society's Rizvi Law College, in collaboration with the Help Yourself Foundation, hosted the Saquib Rizvi Memorial Cancer Awareness Marathon-Virtual on 27th & 28th February, 2021. In the wake of the COVID-19 pandemic, the marathon transitioned to a virtual format, allowing participants to engage remotely while upholding the tradition of raising awareness about cancer. The support of the Mumbai Police, as in previous years, added a significant dimension to the cause. Despite the virtual format and the challenges posed by the pandemic, the marathon retained its commitment to educating participants about cancer prevention and support services. The event symbolised resilience, adaptability, and continued dedication to the cause of cancer awareness, even in the face of challenges posed by the ongoing global health crisis.
