## MISSION

To contribute to society through the pursuit of education, learning, and research at the highest levels of excellence.

To promote quality legal education and training programs to prepare competent and responsible members of the legal profession who actively contribute towards rule of law.

To provide its students with a diverse, intellectually rigorous learning environment in which to acquire knowledge of the law in its broad international, intercultural, and interdisciplinary context so that they may acquire the professional skills and ethical grounding to become excellent lawyers and leaders in their communities and chosen professions.

To promote knowledge and understanding of the law and related disciplines by providing its faculty with the resources and intellectual environment to excel in teaching and scholarship.

To create a community, including our alumni, committed to excellence, honesty, openness, diversity and collegiality.

To strive hard for working on the betterment of the society.

THE GOVERNANCE IS REFLECTIVE OF AND IN TRUE WITH THE VISION AND MISSION OF INSTITUTION.

## CONCLUSION WITH MAXIMUM 500 WORDS

The vision of Rizvi College of Law is towards elevating the standard and quality of legal education to the level of leading law schools in the country. It seeks to be a distinctive and distinguished law institution with a strong national and comparative focus. The college also encourage its faculties to maintain their commitments towards excellent teaching. It will support programs, initiatives and innovations that will serve to further enhance the faculty's performance as teachers.

The mission of Rizvi College of Law is to contribute to society through the pursuit of education, learning, and research at the highest levels of excellence, to promote quality legal education and training programs to prepare competent and responsible members of the legal profession who actively contribute towards rule of law.

The college aims to provide extensive support and cooperation to its students to study in a diverse and intellectually challenging learning environment. Through this, students acquire knowledge of the law in a broad international, intercultural, and interdisciplinary context. This helps them develop expertise in their professional skills and ethical grounding, enabling them to become excellent lawyers and leaders in the legal profession.

The governing body has a genuine intention to impart legal education among students, so they can develop skills of advocacy, legal interpretation, reasoning aptitude, and knowledge to perform in the legal system of our country, helping people to access justice. For this purpose, the college has made it a prerequisite condition to maintain high quality legal knowledge among all its professors. They maintain an academic calendar and plan actions to ensure effective learning. Additionally, all faculty members meet with the Hon'ble Principal to review overall academic progress.

Dr. Sajan G. Patil
