2.) THE INSTITUTIONAL STRATEGIC/ PERSPECTIVE PLAN IS EFFECTIVELY DEPLOYED STRATEGIC PLAN FOR ACADEMIC YEAR - 2022-2023

RIZVI LAW COLLEGE: NURTURING LEGAL EXCELLENCE AND ETHICAL LEADERSHIP

RIZVI LAW COLLEGE is one of the leading Law colleges in the country in the field of education and is committed to providing quality legal education. The college since its inception, has strived to achieve academic excellence in imparting legal education in the country. We believe education needs to evolve and integrate the dynamism of the changing world.

STRATEGIC PLANNING MEASURES

The strategic plan of the institution is designed in accordance with the vision and mission of the institution aiming at holistic development and to increase their graduate employability. The college Academic coordination committee & IQAC ensures

these targets are achieved with deployment of proper measures assessed through measurable outcomes

1. Meeting of IQAC for Strategic Planning for the Academic year 2022-2023

Internal Quality Assurance Cell (IQAC) has been established as a post-accreditation quality sustenance measure for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education. According to the National Assessment and Accreditation Council (NAAC) every accredited institution of higher education should establish Internal Quality Assurance Cell (IQAC) as a post accreditation quality sustenance measure. The primary responsibility of IQAC is to ensure quality enhancement and sustenance. It ensures the efficiency and effectiveness of measures taken/methods used to provide high quality education and evaluate the degree to which each task is fulfilled. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realization of the goals of quality enhancement and sustenance.

The IQAC committee held a meeting on 9th December, 2021 to discuss working on improving students' political awareness and legal knowledge for the next academic year. The Parliament of India plays numerous roles such as Legislative Function, Budget Approval, Policy Formulation, Constitutional Amendments, Social

and Economic Development, Policy Formulation etc., hence there is dire need to arrange a mock Parliament in the college so that students can grasp practical understanding of how the Parliament functions.

2. Planning for organizing events i.e moot courts & guest lectures for the Academic year 2022-2023

Mere education is not enough if it is not combined with moral & ethical values in our legal platform of advocacy. Therefore, for attaining the said objective of moral values the institution has made various plans for organizing various value oriented programmes. such as celebration of Environmental day [no data] Constitutional day, International Woman's Day so that the elimination of gender equality, ethical, moral & national values to be promoted with implementation plans in our socio-economic field of study. For academic excellence the Institution has organised various Legal Aid Camps etc. Moot court competitions, guest lectures, online webinars, Seminars on burning socio-legal aspects etc.

DEPLOYMENT MEASURES –

Deployment measures are also implemented in accordance with our strategic plans. This has done by conducting various value added courses, various webinar/Seminars [World's Environment Day, International Woman's Day, Youth Parliament visit, on current legal topics were conducted for advanced advocacy skills, Lawyer's drafting skills with Guest lectures by eminent Advocates / Research scholars]
