ABOUT US: RIZVI LAW COLLEGE

Rizvi Law College is an outstanding Law College in the city of Mumbai. Since its establishment in the year 2002.

Located in Bandra, the queen among Mumbai suburbs, the college boasts of an infra structure consisting of Moot hall, Lecture Halls, Students' Bar Room, Library, Common Canteen, Conference Hall etc. The advantage of RLC being located in a campus with other disciplines of studies such as Management, Engineering and architecture, Hospitality and Tourism development is that the students have an opportunity to meet and learn from students of other discipline, there by ensuring inter-disciplinary approach to our campus life.

The College has regular visitors from all over the world. From judges of the Supreme Court of India and the High Court of Bombay to academicians from law schools in India and abroad, visiting students from US colleges and attorneys from India and abroad and visiting diplomats, they offer to our students an opportunity to meet and interact with them.

The biggest strength of the college is its students. They come from all over India and some neighbouring Countries including Bhutan, Nepal, Dubai, Middle East and Sudan. They virtually run the entire co-curricular activities such as the Student's Bar Forum, the Rotract Club of RLC, The academic-cultural festival Just-Ice which includes the rock music show called Hammer and the National Moot Competitions. The College is affiliated to the Bar Council of India and the University of Mumbai.

The RLC Mission is Statement

To educate students to become lawyers and leaders who would be ethical, skilled and committed to professionalism in public life.

To educate students to be competent to become critics and reformers of the law. It is our mission to create and maintain a national and international reputation for excellence.

The RLC Objectives are:

To promote the dissemination of legal knowledge in order to make the legal process an efficient instrument to empower people at all levels.

To develop the sense of responsibility in every student towards the application of law especially in the areas of legislation and advocacy.

To promote industry-focused study of law in relation to commerce, banking, technology, knowledge processing and development.

To promote ethical practice in the legal profession so as to enable fairness in decision making.

To encourage students to recognize their potentialities and skills in developing their own self and in placing themselves in a competitive world.
