An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Trust's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Trust has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements

## Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- in case of the Balance Sheet, of the state of affairs of the Trust as at March 31, 2022, and
- in case of the Income and Expenditure Account, of the "Income" for the year ended on that date.

## Report on Other Legal and Regulatory Requirements

We report that:

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- In our opinion proper books of account as required by Bombay Public Trust Act, have been kept by the Trust so far as it appears from our examination of those books;
- The Balance Sheet, the Statement of Income and Expenditure dealt with by this Report are in agreement with the books of account
- In our opinion, the aforesaid financial statements comply with the Accounting Standards as prescribed by the ICAI.
